7 different programs to make your DREAMS come true

AlbaStar.es

AlbaStar Cadet and Mentored Program

We are excited to announce a strong collaboration between FlyBy and the prestigious airline Albastar, offering our students exclusive career opportunities.

This partnership includes two key programs designed to support FlyBy students in becoming professional pilots.

The Cadet Program allows selected candidates to secure a contract with Albastar before even starting their training, providing a clear career path from day one.

The Mentorship Program gives FlyBy graduates priority in the Albastar selection process, recognizing their talent and dedication.

This partnership ensures FlyBy students gain direct access to a leading airline, enhancing their competitive edge in the aviation industry.

At FlyBy, we are proud to offer these unique career pathways, reaffirming our commitment to training highly skilled pilots.

7 different programs to make your DREAMS come true

Neos Mentored Program

FlyBy's collaboration with NEOS reinforces our commitment to training highly qualified pilots while meeting the airline's high standards.

This agreement provides FlyBy students with a unique opportunity to be selected as First Officers for the Boeing 737 with the prestigious Italian airline.

The program provides FlyBy graduates with priority in the NEOS selection process, with airline personnel monitoring their progress, assessing both theoretical knowledge and practical skills. This ensures the best candidates are identified and selected.

Successful students will complete the MCC (Multi-Crew Cooperation) course, tailored to NEOS' procedures, followed by the Boeing 737 Type Rating program. This collaboration ensures FlyBy pilots are highly skilled, well-prepared, and ready to contribute to flight safety.

We are proud of this partnership, which strengthens our role in pilot training and gives our students a competitive career advantage.

Hello Fly Mentored Program

This new collaboration is open to all nationalities, reinforcing FlyBy's status as a leading international aviation school. This marks another high-quality agreement between FlyBy and a company led by Commander Longo, renowned across Europe for his professionalism and reliability. The program provides FlyBy graduates with priority in the HelloFly selection process, giving them a competitive edge over candidates from other academies. Throughout their training, students will be closely monitored to assess their theoretical knowledge and practical skills, ensuring only the most qualified are selected. This partnership enhances FlyBy's commitment to excellence in aviation training, creating valuable career opportunities for students ready to enter the airline industry.

Aerolitalia Mentored Program

New Collaboration Between FlyBy and Aerolitalia for Fast Selection of European Students FlyBy is proud to announce an exciting new partnership with Aerolitalia, aimed at streamlining the selection process for all FlyBy students holding a European passport. This collaboration ensures a fast-track pathway for aspiring pilots, providing them with direct access to Aerolitalia's recruitment opportunities. Through this initiative, FlyBy students will benefit from an efficient and transparent selection process, reducing waiting time and accelerating their aviation careers. Aerolitalia, with its fleet of 15 aircraft, including Boeing and ATR, offers a dynamic and growing operational environment for future pilots. This strategic partnership reinforces FlyBy mission to provide students with the best career opportunities while supporting the growing demand for pilots in the European aviation sector. Together, FlyBy and Aerolitalia are shaping the future of aviation!

NyxAir Mentored Program

FlyBy's international partnership with NyxAir reinforces our commitment to excellence in aviation training, providing students with unique career opportunities. Through this collaboration, NyxAir will identify the most talented students and support their professional growth in a dynamic airline environment.

The program provides FlyBy graduates with priority in the NyxAir's selection process, facilitating their transition into the aviation industry. During training, NyxAir personnel will monitor students' progress, assessing their theoretical knowledge and practical skills to ensure only the most qualified candidates advance.

Those who successfully pass will have the opportunity to enter the airline's Type Rating program.

This partnership strengthens FlyBy's role in pilot training, providing graduates with a competitive edge in launching successful aviation careers.

FlyBy

FlyBy Cadet Program

At FlyBy Academy, we offer an exclusive program for aspiring pilots: the Cadet Program. This unique pathway allows candidates to combine the ATPL course with a Flight Instructor (FI) course right from the start. Candidates who pass the initial selection process are guaranteed a one-year contract as an instructor at our school. The Cadet Program serves as a springboard for those looking to begin their aviation careers with added value. Becoming an instructor not only reinforces the skills gained during the ATPL course but also provides the opportunity to log valuable flight hours, enhance teaching abilities, and build a strong professional profile for future airline opportunities. Joining our team means working in a dynamic and motivating environment surrounded by experienced professionals. Our goal is to provide a hands-on, high-quality work experience essential for building a successful career in the aviation industry. If you dream of becoming a pilot, gaining solid experience, and having a clear professional pathway, FlyBy Academy's Cadet Program is the perfect choice for you.

At FlyBy Academy, we offer an exclusive program for aspiring pilots: the Cadet Program. This unique pathway allows candidates to combine the

I'm currently a First Officer at Ryanair flying both the 800 series aircraft and the Max. I graduated FlyBy in 2018 and worked with them for 4 years as a Flight Instructor. The flying at FlyBy is second to none; it's been great seeing how much the school has progressed over all these years, and I look forward to seeing what's to come."
